NOTE: When signing this form you are confirming that you understand the following:

PE credits through Community College in the Spring: To participate in graduation you need to bring an Emergency Release Form that proves you have met credits required for graduation. You will receive your diploma when we receive an official transcript from the community college that shows you have earned the required credits.

PE credits through a Sequoia High School after school sport: Acceptance into a Sequoia High School athletic team is not guaranteed. Choosing this option to meet PE credits senior year places you at risk of not graduating. Please consider taking a PE class instead.

By signing this form I confirm that I have met with my counselor and that I understand what I need to complete in order to earn my high school diploma and meet the requirements for admission to a 4-year college/university.
